NDT Inspect

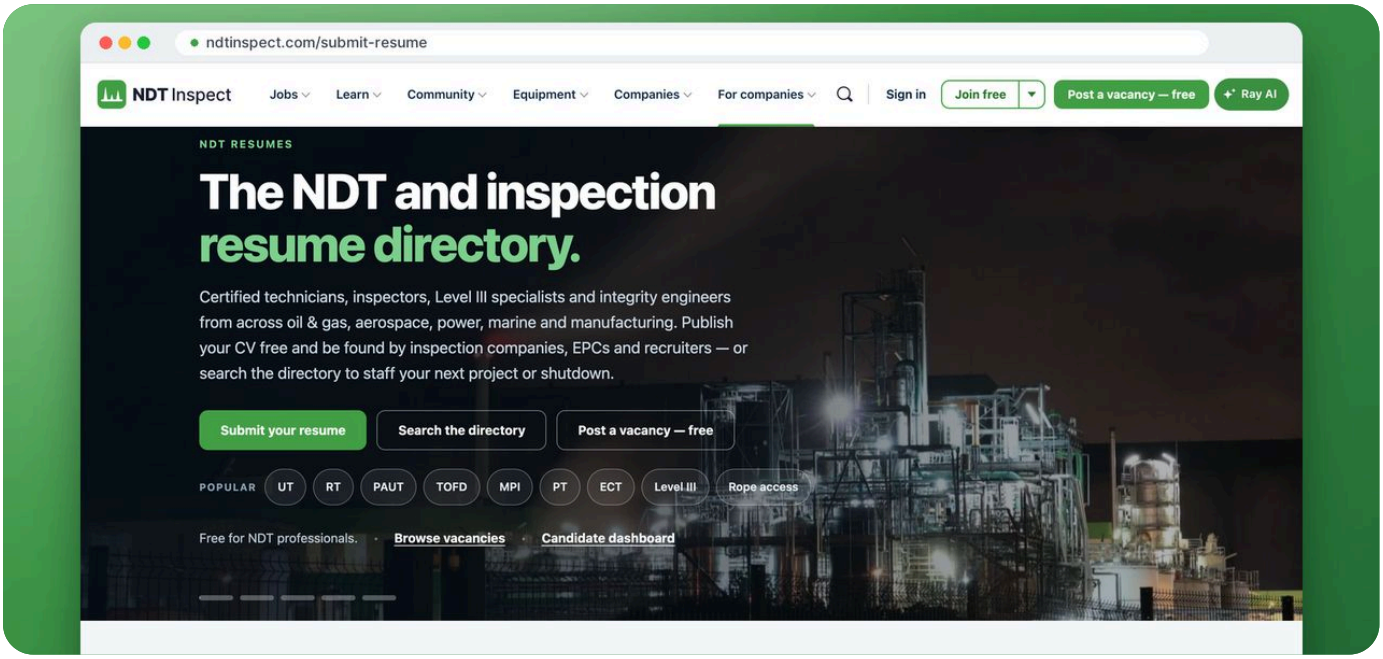
PRODUCT SHEET

FOR INSPECTORS AND TECHNICIANS

Add your CV

FREE

Publish your CV where NDT employers search first. The form walks you through methods, levels, certification scheme, industries and country, so recruiters find you with the right filters. Free for NDT professionals. Your name, contact details and CV file are shown only to company members.



WHAT YOU GET

- A CV page in the directory employers search
- A step-by-step form: methods, levels, certification scheme, industries and country
- Your CV file attached
- Name, contact details and CV file shown only to company members
- A candidate dashboard for your CV and applications

HOW IT WORKS

1. Create a free account.
2. Fill in the CV form and upload your CV.
3. Update it whenever you gain a method, a level or a new certificate.

Good to know. Premium features your CV for 30 days. Pro features it all year, lists it first and shows which companies opened it.
