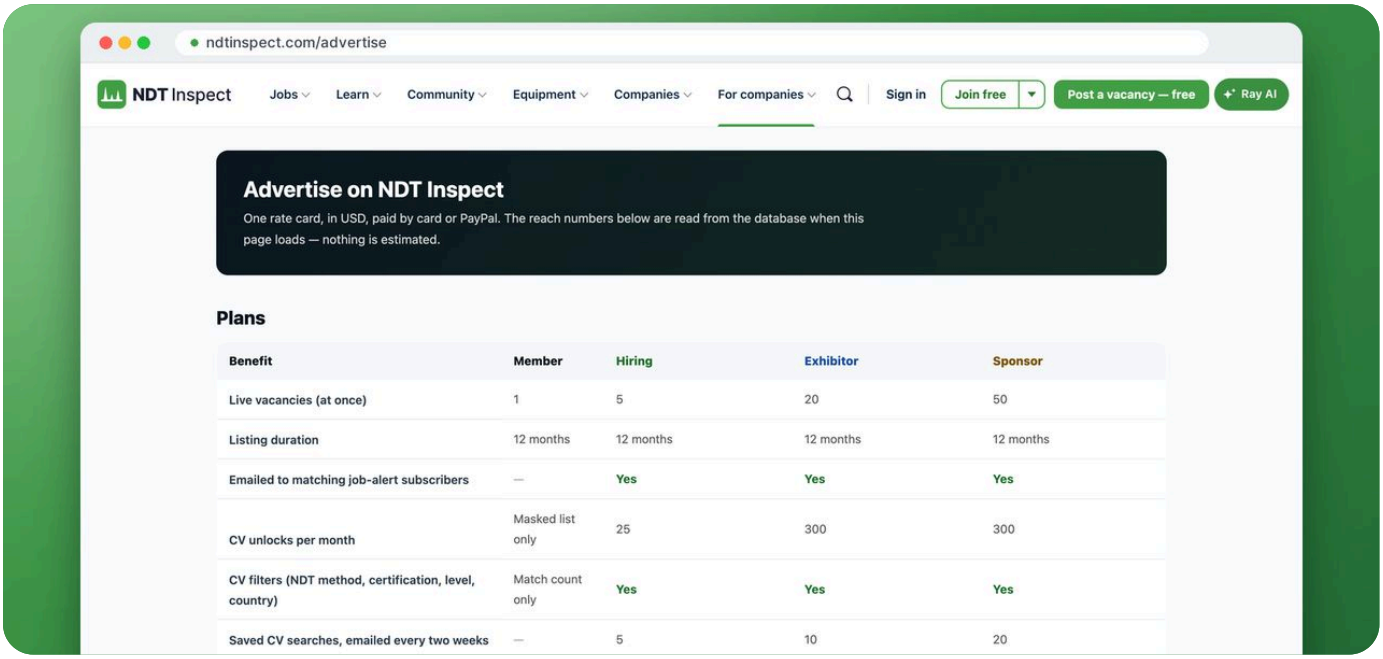
FOR COMPANIES

Sponsorship and advertising

One rate card with real numbers: the reach figures on it are read from the site when the page loads, nothing is estimated. Sponsors get a card beside every vacancy, CV, company, stand, topic and article, a fixed place in the homepage Sponsor grid, a hero slide, email blasts to members and a quarterly reach report. Sponsor places are limited.



WHAT YOU GET

- Your Sponsor card on every section: careers, community, companies and learning
- A fixed place in the homepage Sponsor grid
- A homepage hero slide and a sidebar card
- Email blasts to members
- A quarterly reach report with your own numbers

HOW IT WORKS

1. Read the rate card: the reach numbers are live.
2. Buy online or talk to us first.
3. We set up your Sponsor card and placements with you.

Good to know. Sponsor places are limited. The rate card shows how many are open today.
