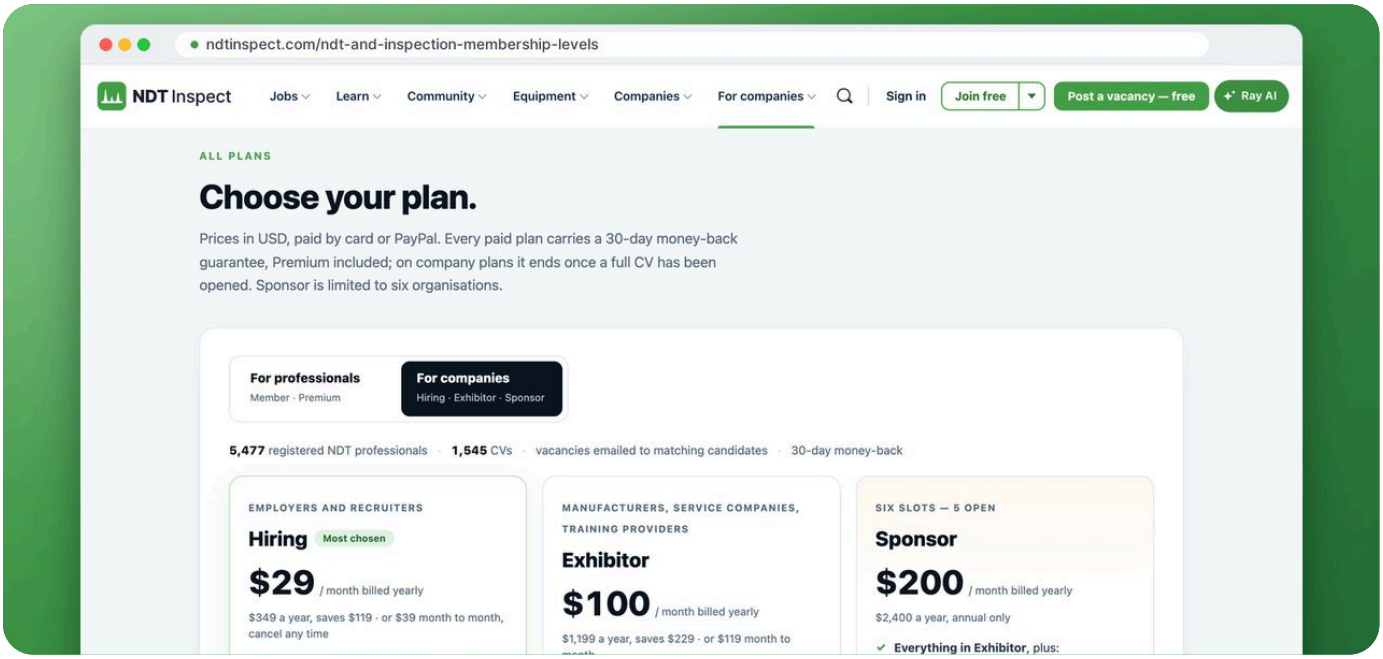
FOR COMPANIES

Company plans: Hiring, Exhibitor, Sponsor

Three plans for companies. Hiring is for employers and recruiters: more live vacancies, CV search and applicant tools. Exhibitor adds a published stand, a company group and a place in the homepage logo grid. Sponsor puts your company on every section of the site. Paid by card or PayPal; every paid plan carries a 30-day money-back guarantee, with the terms on the plans page.



WHAT YOU GET

- Hiring: more live vacancies, emails to matching alert subscribers, CV search, applicant tools and the Verified badge
- Exhibitor: everything in Hiring, plus a published stand with showcase and enquiries, a company group and forum, launch and news posts and the homepage logo grid
- Sponsor: everything in Exhibitor, plus your Sponsor card on every section, a homepage hero slide, email blasts to members and a quarterly reach report

HOW IT WORKS

2. Pay by card or PayPal.
3. Your plan starts when the payment is confirmed.

Good to know. Every paid plan carries a 30-day money-back guarantee. The terms are in the refund policy.
