NDT Inspect

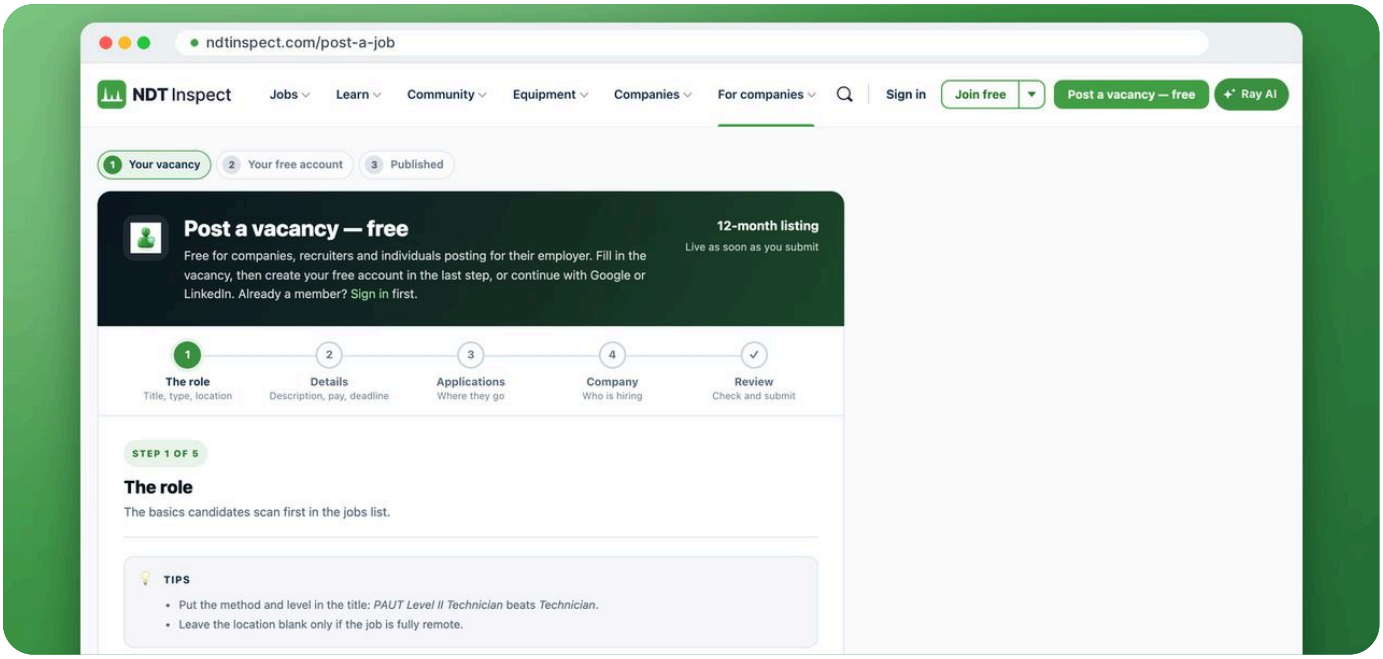
PRODUCT SHEET

FOR EMPLOYERS AND RECRUITERS

Post a vacancy

FREE

Free for companies, recruiters and individuals posting for their employer. Fill in the vacancy in five short steps and create your account at the end. The vacancy goes live as soon as you submit and stays listed for up to 12 months. Company plans add more live vacancies, emails to matching alert subscribers and applicant tools.



WHAT YOU GET

- Free for companies, recruiters and individuals posting for their employer
- Live as soon as you submit
- Listed for up to 12 months
- Applications go where you choose
- Your vacancies show on your stand automatically

HOW IT WORKS

1. Describe the role: title, type, location, details and pay.
2. Say where applications should go and who is hiring.
3. Review, create your free account in the last step and publish.

Good to know. Company plans add more live vacancies at once, emails to matching alert subscribers and applicant tools: shortlist, rating, notes and export.
